

## Rogue Outcast 2X Wash

Rogue Outcast 2X Wash is a lightweight IP65 wash that goes wide and hangs anywhere, with a wide zoom range of 8° to 66°, wide 2800 to 10000 K color temp range, wide selection of simple to complex DMX personalities, and a durable alloy housing that suits this versatile workhorse to the widest range of both indoor and outdoor applications, including on-camera use with its user selectable calibrated white. 19 bright 25W RGBW quad-LEDs occupy 5 pixel-mappable zones and produce excellent color blending and fades with 16-bit master and individual dimming.
